Institutional Distinctiveness:

Student-centric methods: Since, its inception our institution has been making constant endeavor to fulfill the needs of stakeholders. The distinctiveness of the college is seen in respect of student centric methods in imparting quality education as well as communicative skills to meet the present day needs and challenges. The following are the practicing under student centric methods.

1. ICT-based teaching
2. Seminars, Assignments and project works
3. Career guidance and personality development
4. Extension lectures and Field visits
5. Remedial teaching
6. PGCET-Coaching
7. Certificate courses
8. Job oriented communicative skills
9. Nurturing the student talents

Plan of Action:

1. Gender sensitization programmes- Counselling by Resource persons and Self defence training programmes to women students and staff members.
2. Energy conservation-by increasing the use of LED bulbs in other blocks of college campus.
3. Awareness programmes on Energy conservation to students and staff members.
4. Re-use of e-waste and unreparable one's sent to recycle.
5. Utilising the biological waste for vermicomposting and use the produced compost to the plants in the college campus.
6. Motivate the students to use of bicycles for commuting to college instead of Motorbikes.
7. Rainwater Harvesting pits maintenance for proper seepage of rain water.
8. Landscaping- Various ornamental and aesthetic plants are planted to improve the outlook of college campus.
9. Planned to complete Green, Energy and Environmental Audits.
10. Awareness programmes on code of conduct to teaching, Non-teaching staff and students.
