Brief Description with Outcomes:

At Government College for Men (A) in Kadapa, the Economics department, led by K. Siva Ram, a dedicated lecturer guiding second-year B.A students, organized an engaging offline activity titled "2.3.1 Student Centric Method: Quiz Programme." This initiative, specifically designed for the academic year 2022-2023, took the form of a "Quiz on Indian Economy" held on August 8, 2022, at the college level.

The key outcome of the "Quiz on Indian Economy" was the enthusiastic participation of students, showcasing their interest and knowledge in the subject. The event not only enhanced their understanding of economic concepts but also promoted a sense of healthy competition and camaraderie. K. Siva Ram's role as the quiz master facilitated a dynamic learning environment, aligning with the college's commitment to student-centric educational practices. The success of the activity underscored the department's dedication to fostering interactive and knowledge-rich experiences for students.

Brief Description with Outcomes:

K. Siva Ram, a Lecturer at Government College for Men (A), Kadapa, organized a college-level "Student Centric Method: Quiz Programme" specifically designed for second-year B.A students. The activity, focused on the metric 2.3.1, involved a quiz on Development Economics. This offline event took place on February 4, 2023, during the academic year 2022-2023.

While the organizing department is not specified, we extend our appreciation to Principal Dr. G. Ravindranath for supporting the successful execution of this engaging initiative. The quiz program saw the active participation of 23 students from the 3rd semester second B.A, showcasing their enthusiasm for academic activities.

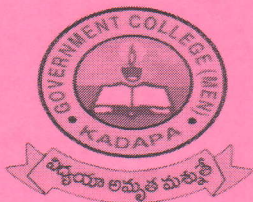

The key outcome of the "Quiz Programme on Development Economics" is the enhanced understanding and knowledge retention among participating students. The quiz format allowed students to apply theoretical concepts in a practical setting, fostering a student-centric approach to learning. This college-level initiative aligns with Government College for Men (A), Kadapa's commitment to promoting interactive and effective teaching methodologies..

Brief Description with Outcomes:

At Government College for Men (A), Kadapa, the Department of Biotechnology, led by Dr. P. Kalpana, organized Quiz Programme. This offline activity, conducted at the college level on April 6, 2022, targeted first-year students pursuing B.Sc Bt.Z.C and B.Sc Bt.B.C. The quiz focused on topics such as chromatography, electrophoresis, centrifugation, and spectroscopy. Some questions were prepared by the lecturer and posed to two groups by maintaining same complexity for both the groups. Students are previously informed to prepare questions to pose the other group. After sometime, students of one group posed questions to other group by which students develop skill of preparing tricky questions thereby thorough revision of subject is possible. Students enthusiastically participated in the quiz programme. All the participants were given pen as inspiration to participate in competitions.
