MESSAGE FROM THE PRINCIPAL

Dr.G.Ravindranath,Principal

Dear Esteemed Teaching and Non-Teaching Staff, Dedicated NSS Volunteers, and Enthusiastic Students,

It fills me with immense pride to witness the collective spirit of Government College for Men (Autonomous), Kadapa, as we come together today for this vital E-waste Management Programme under the Swarna Andhra Swachh Andhra initiative.

The overwhelming participation of our teaching fraternity, the unwavering support of our non-teaching staff, the dynamic energy of our NSS volunteers, and the keen interest of our students are truly commendable. This collaborative endeavor underscores our shared commitment to environmental sustainability and responsible citizenship.

Today's program is not just about the proper disposal of electronic waste; it is about fostering awareness, promoting responsible practices, and contributing to a cleaner and healthier future for our Swarna Andhra and our nation. Each and every one of you plays a crucial role in making this initiative a resounding success.

I extend my sincere appreciation to the SASA Co-Ordinator for his tireless efforts in organizing this significant event. Your dedication in guiding our students and fostering a sense of social responsibility is invaluable.

Let us all actively engage in today's program with enthusiasm and a shared vision. Together, we can make a tangible difference and set an inspiring example for our community.

With best wishes for a successful and impactful program.

Sincerely,

Dr. G. Ravindranath.

Principal,

GCM(A), Kadapa

CONSTITUTION OF SWACHHATA COMMITTEE

OUTCOMES OF THE PROGRAMME

some potential program outcomes that could be expected:

Knowledge and Awareness:

Increased Awareness: A significant increase in the awareness levels among teaching and non-teaching staff, NSS volunteers, and students regarding the hazards of improper e-waste disposal and the importance of responsible e-waste management practices.

Understanding of E-waste Channels: Participants will gain a better understanding of the proper channels for e-waste collection, dismantling, and recycling.

Knowledge of Regulations: Increased familiarity with relevant regulations and guidelines related to e-waste management in Andhra Pradesh and India.

Behavioral Changes:

Improved Disposal Practices: Participants will be more likely to adopt responsible e-waste disposal practices at the college and in their personal lives.

Segregation at Source: An increased understanding and implementation of e-waste segregation at the source within the college premises.

Promotion of Responsible Consumption: The program may encourage more conscious consumption of electronic goods and promote practices like repair and reuse.

Practical Outcomes:

Collection of E-waste: A significant quantity of e-waste will be collected during the program for proper disposal and recycling.

Establishment of Collection Mechanisms: The program might contribute to the establishment or strengthening of e-waste collection points or systems within the college.

Networking and Collaboration: The event could foster better networking and collaboration between students, staff, and potentially external agencies involved in e-waste management.

THANK YOU
