PREFACE

I deem it my bounden duty to release the college calendar for the academic year 2019-2020 in view of the needs of the students and the staff in order to create awareness about the academic schedule. It is my sincere intension to inculcate discipline and time sense among the students, besides maintaining the decorum of this prestigious institution through a practical approach. The students are advised to go through the schedule scrupulously and to reap the benefits of the same.

With best wishes for a more successful academic year 2019-2020 and

Happy New Year 2020.

Dr. N. SUBBANARASAI AH, M.Com., Ph.D.,

LOGO		
<p style="text-align: center;">Our College Logo comprises Name of our college, Light with an opened book and an Upanashadic except – “ Vidyayaamritamasnute”</p>		
<p>Name- Government College for Men (A), Kadapa</p>		
<p>Light with an opened book - Light is referred to Jyothi and God, at times, manifests in the form of light, Jyothiswarupa. The opened book stands for Vedas, Upanishads and all other treatises including those of Ayurveda, Artha Sastra, Neeti Sastras meant for study, learning and practicing for the welfare of Society human beings and that of the individual himself.</p>		
<p>Vidyaya amrita masnute -It is an excerpt from 11th Sloka of ISAVASYOPANISHAD. “Man gets immortality by Education” is the meaning of the same extract.</p>		
<p>Education from the perceptive of Indians is under two categories namely: -</p>		
<p>Apara Vidya and Para Vidya</p>		
<p>Apara Vidya is mundane education. It includes all Medical Sciences, Dharma Sastras, books of Law and Code of Conduct, Economics, Political Science (Neeti Sastras), Astronomy, Astrology, Chemical Engineering and other Technical Education. They are necessarily meant for the welfare of society in which an individual is a constituent member.</p>		
<p>Para Vidya is Spiritual Education meant for the upliftment of an individual. Man is a mixture of good and bad. Man is essentially a divine spark conditioned by ignorance. Para Vidya includes Upanishads, Vedas and Vedantic treatises. Brahma Sutras and Upanishads play an important role in Spiritual Education. They come to the rescue of Human beings to help individually to remove the veil of ignorance there by making man immortal.</p>		
<p>Upanishads, which constitute the end portions and aim of the Vedas, breathe the pure fragrance of eternally fresh dialogues of truth between earnest seeker and eminent self-realization, Philosophy and Spiritualism. They are the fountain head of all Vedas, Culture and ideal ethical conduct of man. The excerpt is from the ISAVASYOPANISHAD and the actual sloka runs the – Isavyasopanisad Sloka 11.</p>		
<p>Transliteration: Vidyamavidyam ca yas tad VedobhayamSaha avidyayamrtyumtirtaVidyayaamritamasnute</p>		
<p>Meaning: He, who understands Vidya is immortal.</p>		
<p>Man becomes immortal by studying and practising Mundane Education and Spiritual Education by following Jnana Yoga and Karma Yoga. Man, by transgressing death reaches immortality. There after no rebirth to individual takes place. Man attains Self-realization experiencing the bliss of Brahman, all pervading omniscient and omnipotent God. Thus, by education Man attains immortality.</p>

ABOUT THE COLLEGE

It is proud to say that **Government College, Kadapa** first located at **Zilla Parishad Building, Kadapa** in 1948. Later, **Hon'ble Chief Minister Sri C. Rajagopala Chari** laid foundation stone on **14th June, 1952** for the present existing structure and after the construction under the name **Government Arts College, Kadapa** was opened by **Lt. Col. Diwan Bahadur, Sir A. Lakshmanaswami Mudaliar, Vice-Chancellor, University of Madras on 4th February, 1955** as a composite college with Intermediate and conventional degree courses-B.A., B.Com., and B.Sc. However, in 1958, it offered courses with various combinations. Later, it was renamed as '**Government College for Men**'. In 1996 it was bifurcated into Intermediate and Graduation.

Ever since, considerable changes have been taking place in ameliorating the standards of the degree courses. As per the instructions of the C.C.E., restructured courses i.e. 'need-based' courses have been introduced to cater to the needs of the stakeholders to face the modern competitive world. To that extent, 'Sumabala Computer lab' has been established. Besides, for the effectiveness, manifold facilities have been provided for the students.

Vision:

Empowerment of stakeholders through knowledge and inculcation of values for exposure to Global Competence.

Mission:

- To mould the students as responsible citizens with intellectual excellence and integrity.
- To facilitate optimum use of human and natural resources for sustainable development by enriching competitive skills.

Milestones:

- The college initiated **UG and PG 'Off campus Courses'** through **Dr. BRAOU**.
- In course of time, to accommodate the students, the college has introduced **6 PG** courses viz, **M.Com., M.A. Telugu, M.Sc. Zoology, M.Sc. Physics, M.Sc. Botany and M.Sc. Chemistry**.
- In **2004**, the College was accredited by NAAC at **B++** under **Cycle I**.
- Further, **School of Commerce block** was constructed to expand infrastructure to meet the relevant changing times, so as to accommodate the students in various combinations to provide opportunities for the aspirants.
- In **2012**, the college was accredited and annexed '**B**' grade by **NAAC** under **Cycle II**.
- Conferred Autonomous status by UGC, New Delhi during the academic year 2010-11.

- The institution was selected for RUSA in the academic year 2015-16.
- Students have bagged 20 Pratibha Awards so far.
- Every year stakeholders of the college secure the prestigious Awards announced by the Government of Andhra Pradesh. So far, our students have bagged for the academic years
2014-15
2015-16
2016-17
2017-18
- The Institution has been conducting seminars, workshops and faculty have been pursuing Projects.

Acquisition of Autonomous Status: -

- UGC conferred the **autonomous status** to the institution in the middle of the academic year **2011-12**. However, it came into force from the academic year 2012-13.
- The pass percentage, year by year has been gradually improving. We hope that the pass percentage may be increased with the introduction of new pattern. Above all, it enables the students of different caliber to encounter present day challenges with much confidence and agility.
- In order to implement the Autonomous procedure from the academic year 2012-13, **the then Principal Sri K.S. Ramanjaneyulu** had taken initiative for the constitution of the Board of Studies after consulting the staff council and the higher authorities of **Yogi Vemana University, Kadapa**.
- **The then Vice-Chancellor, Prof. A.R. Reddy** nominated subject experts from different disciplines from the university and permitted them to take part in the **BOS meetings**.
- With the consent of the In-charges of various departments of the college, the Principal nominated Industrialists, Post graduate meritorious Alumni, two Subject Experts from outside of the college and other members of the departments as members of the Board of Studies.
- The In-charges of all the departments called respective members of BOS and prepared the Syllabi for various courses, keeping in view the objectives of the college, interest of the stakeholders and society at large for 1st and 2nd semesters for the academic year 2012-13 and same had been approved by the first Academic Council meeting, which was held in the month of December, 2012.
- The second Board of Studies meeting was conducted for framing of Syllabi for 3rd and 4th Semesters and the Syllabi was approved by the Academic Council in January 2014.

DISTRICT RESOURCE CENTRE (DRC)	
Introduction:	
<p>The DRC (District Resource Centre) in Government College for Men (A), Kadapa was established in 2007. Ever since, it has been undertaking several productive activities in the best interest of different institutions and stakeholders. Presently, Dr. N. Subbanarasaiah, the Principal is the chairman and Mr. K.N. Sundareswara Rao, Lecturer in Telugu, is the Co-ordinator from the year 2017 – 2018.</p>	
Concept:	
<p>Government Degree Colleges are spread across the state in all the districts. Most of them are located in rural and semi urban areas. They mostly serve the students from poor and under-privileged sections of the society. The students of colleges located in rural areas face disadvantages like infrastructural and teacher shortages, lack of exposure to modern educational atmosphere and inadequate background support. They need additional support. Although each district has about 8 to 12 Government Degree Colleges and they are working as total individual entities so far. Pooling and sharing of resources will benefit students of all colleges especially rural colleges.</p>	
<p>The Government Degree Colleges in each district, therefore, were networked with a select government college in the district, called the District Resource Centre (DRC). Yearlong activities are planned and implemented by the colleges of the district under the DRC for the benefit of students in the subject and general areas. The DRCs are expected to tentatively compensate some of the disadvantages faced by the students of all colleges, especially the rural colleges.</p>	

Objectives:

- Identifying the subject, student need and shortages.
- Pooling and sharing the resources for the benefit of all students, especially the rural students.
- District-level crash programmes, seminars, workshops etc. for the teachers for improving their awareness and skills in teaching.
- A variety of district-level regular programmes, workshops and summer programmes for students from all the colleges of the district, in areas such as subjects, skills, career, employment etc Strengthening the existing infrastructural, material and human resources.

JAWAHAR KNOWLEDGE CENTRE (JKC)

Government of Andhra Pradesh initiated JKC in 2005 as a reliable solution to the problem of unemployment faced by students studying non-professional courses in Degree colleges of AP. The ever-increasing prominence of India on the global map has paved way for a growing demand for hard working and talented students, good in computer skills, communication skills and industry related skills. The doors of global job market are opened to students who can speak fluently, compute quickly, write legibly and analyse logically.

Jawahar Knowledge Centre's primary aim is to provide intensive training to students in employable skills and enable students avail themselves of the bright opportunities in the global job market. Remarkably, the centers are best utilized by the poorest of the poor and marginalized sections of the society. Students from rural areas who have no access to advantages experienced by their urban counterparts are provided the latest technologies and opportunities to upgrade their skills and encourage to compete for better standards of living. The Centre received overwhelming response from day one and the encouraging placements add to its strength and objectives.

JKCs established in degree colleges provided with a world class infrastructure and experienced faculty are totally dedicated to students and totally involved in providing the best training to help the students climb the ladder of success. JKC helps students to realize their potential and aim high in life and particularly it motivates and encourages students to be creative, independent and self-reliant. JKC Centre helps students in colleges gain confidence and the ability to contribute to the economic and intellectual prosperity of the country. The JKC was started in our college in **April 2007** (summer batch with 198 students they were trained in four groups since the strength was more. This came out to be a grand success.

Objectives of JKC

To shape students across the State and make them globally acceptable citizens

- To promote College – Industry relations through training and placements.
- To provide the best of the opportunities to the students who belong to weaker and marginalized sections.

The benefits of Jawahar Knowledge Centre

- Career Awareness/ Planning Workshops.
- 250 hours training.
- Training Practice on employable skills.
- Training by Enabled Faculty/ Industry.
- Co- curricular activities to enhance Communication and Soft skills.
- Campus Placement with Major MNCs.
- Industry Orientation.

VIRTUAL CLASSES

The concept of virtual classes has been introduced by CCE in the academic year 2017-18 and its main objective is to expose faculty and students to new teaching technologies. At the same time, an expert's class can be accessed by every student using virtual class equipment. These classes were inaugurated by the Hon'ble minister of HRD Sri.G.Srinivasa Rao Garu.

Govt. College for Men(A), Kadapa is equipped with '4' sets of virtual classes that are located at room numbers '37', '46', '56' & '9'. Every month, the needy subjects are identified in GDCs and schedule is prepared and classes are run starting from December-2017.

MANA TV

MANA TV telecasts Educational Programmes in tune with the needs of the students' advance academic needs and demands of the job market updates. MANA TV telecasts educational programmes to degree students through Live and Recorded presentations. A telecast of these programmes is from SAPNET studios.

MANA TV had established in this Institution in 2002. It has been serving since its establishment. MANA TV has been functioning as per the schedule provided by the MANA TV Cell, Commissionerate of Collegiate Education, Vijayawada, Andhra Pradesh. MANA TV Telecasts have been receiving good feedback for their uniqueness in Teaching-Learning process and importance of the topics chosen.

From this Institution, a number of Lecturers acted as Subject Experts or Presenters, prepared video lessons and deliver lectures through Live Telecast. Right from the beginning, the topic concerned Lecturers and the students actively viewed and participated in the Telecasts of MANA TV lessons. The students and Lecturers are interacted with the subject experts

over phone. The suggestions and remarks of the students and lecturers on the programme are recorded in the feedback report. The attendance of the students is maintained by the MANA TV Coordinator as well as subject Lecturers along with feedback report. The consolidated feedback reports are sent to MANA TV Cell Commissionerate of Collegiate Education, Vijayawada, Andhra Pradesh.

MANA TV Coordinator: Sri V. Adinarayana, Lecturer in Physics

NATIONAL CADET CORPS (NCC)

The National Cadet Corps is the Indian military cadet corps with its Headquarters at New Delhi. It is open to school and college students on voluntary basis. National Cadet Corps is a Tri-Services Organization, comprising the Army, Navy and Air Force, engaged in grooming the youth of the country into disciplined and patriotic citizens. The National Cadet Corps in India is a voluntary organization which recruits cadets from high schools, colleges and universities all over India. The Cadets are given basic military training in using small weapons small arms and parades. The College, has Two NCC Units i.e. 155/30 and 156/30 A&B Platoons has been working since 1963.

Aim of NCC:

The aim of NCC is developing character, comradeship, discipline, a secular outlook, the spirit of adventure and ideals of selfless service amongst young citizens. Further, it aims at creating a pool of organized, trained and motivated youth with leadership qualities in all walks of life, who will serve the Nation regardless of which career they choose. Needless to say, the NCC also provides an environment conducive to motivating young Indians to join the armed forces.

Motto of NCC:

“Unity and Discipline”

Lt.Dr.R.Neelaiah, Lecturer-in-Charge, Dept. of Commerce is the Associate NCC Officer (ANO) of one Unit in the college.

Lt. Dr.B.Mahesh, Lecturer in Chemistry, is the Associate NCC Officer (ANO) of another Unit.

NATIONAL SERVICE SCHEME(NSS)

MOTTO of NSS

The motto of our NSS is "NOT ME BUT YOU", which reflects the essence of democratic living and upholds the needs for service.

National Service Scheme (NSS) is Indian government-sponsored public service program conducted by the Ministry of Youth Affairs and Sports, Government of India. Popularly known as NSS. The scheme was launched in Gandhiji's Centenary year, 1969. Aimed at developing student's personality through community service, NSS is a voluntary association of young people in Colleges, Universities and at +2 level working for a campus-community linkage.

Organization

At national level, Ministry of Youth Affairs and Sports of India is the nodal authority, which works with state-level NSS cells. State-level NSS cells are responsible of the respective state governments. Within states, each university has University level NSS cell under which institutions (schools and colleges) based NSS units operate. Most government and government-aided institutions have NSS units. Institutions are encouraged to have NSS units. A unit typically comprises 20-40 students. They are managed internally by a responsible program officer from the school or college, who reports to the regional NSS coordinator.

Types of Activities

There are two types of activities: Regular Activities (120 hours) and Annual Special Camp (120 hours). All the NSS Volunteers, who have served NSS for at least 2 years and have performed 240 hours of work under NSS are entitled to get a certificate from the university with the signature of the Vice-Chancellor and the Program Coordinator. The Annual camps are known as Special Camps. Camps are held annually, funded by the government of India, and are usually located in a rural village or a city suburb. Volunteers may be involved in such activities as:

- Cleaning
- Afforestation
- Stage shows or a procession creating awareness of such issues as social problems, education and cleanliness
- Awareness Rallies
- Inviting doctors for health camps

There are no predefined or pre-assigned tasks; it is left to the volunteers to provide service in any way that is feasible. Camps typically

last between a week and 10 days, although camps for shorter periods are also conducted by NSS.

NSS UNIT-I and UNIT-II were started in our college on Gandhiji's Centenary year, 1969. Here UNIT-I for B.Sc. Students with intake of 100 interested volunteers and UNIT-II for B.A., and B.Com., students with intake of 100 interested volunteers under SRI VENKATESWARA UNIVERSITY, TIRUPATI.

Now our NSS UNITS are working under the control of SRI YOGI VEMANA UNIVERSITY, KADAPA. At present our NSS Programme Co-Ordinator of YVU, Kadapa is Dr. A. MADHU SUDHANA REDDY.

Themes of the Program

In the past the themes of the Special Camping Programs have been 'Youth against Famine', 'Youth against Dirt and Disease', 'Youth for Rural Reconstruction', 'Youth for Eco-Development', 'Youth for Mass Literacy', 'Youth for National Integration & Social Harmony', 'Youth for Sustainable Development with special focus on Watershed Management and Wasteland Development'' 'Healthy Youth for Healthy India'

ECO CLUB

We know that we are a part of Environment, we live in and the solution to many environmental problems lie in our attitude towards environment. The best way to attempt to bring about a change in the attitudes in the society is through students. They are the single most important influence in any family.

Objectives:

1. To make students understand environment and environmental problems.
2. To provide environmental education opportunities for college students.
3. To utilize the unique position of students as conduits for awareness of the society at large.
4. To facilitate students' participation in decision making in areas related to environment and development.
5. To bring students in to direct contact with the environmental problems facing the society they live in and make them think of solutions.
6. To involve eco-club members in action-based programmers related to environment in their surrounding

Activities:

1. Organise seminars, debates, lectures and popular talks on environmental issues in the college. Campaign against banned carry bags, use of loud speakers, banned fireworks, recycling of glass

and metals, filling of water body in the adjacent area, use of unnecessary horns.

2. Field visit to environmentally important sites including polluted and degraded sites, wildlife parks, etc. Organize rallies, marches, human chains and street theatre at public places with a view to spread environmental awareness.
3. Action based activities like tree plantation, cleanliness drives both within and outside the college campus. Grow kitchen gardens, maintain vermin composting pits, construct water harvesting structures in college, practice paper recycling etc.
4. Prepare inventories of polluting sources and forward it to enforcement agencies. Maintenance of public places like parks, gardens both within and outside the college campus. Mobilize action against environmentally unsound practices like garbage disposal in unauthorized places, unsafe disposal of hospital wastes etc.
5. Beautify selected road side area with plants and flowers and put campaign boards to generate awareness. Any other innovative programme on environmental issues.

WOMEN EMPOWERMENT CELL (WEC)

VISION
