Department of Biotechnology**

Field visit to GenomixCARL at APCARL on 28.07.2022

Summary

Students of biotechnology visited GenomixCARL at APCARL, Pulivendula along with faculty members Dr. P. Kalpana, lecturer in biotechnology and Dr. P. V. Krishna Reddy, lecturer in botany on 28.07.2022. The equipment available and their usage were explained well by Senior Scientist P. V. Janardhan Reddy at GenomixCARL. Students have interacted well with them and cleared their doubts.
